**MESSAGE FROM THE CONSUL GENERAL OF JAMAICA IN MIAMI
ON THE OCCASION OF THE
ELEVENTH (11TH) ANNUAL TRUE BLUE WEEKEND**

It is my distinct pleasure, once again, to extend greetings on behalf of the Consulate General of Jamaica to the organizers and participants in the Eleventh Annual “True Blue Weekend”, that will be held in Broward County, Florida.

At the outset, commendations must be extended to the Florida chapters of Jamaica College Old Boys Association and St. George's College Old Boys Association, for continuing this tradition of jointly honoring the life and legacy of the late Dennis Ziadie, who, through his dedicated efforts and coaching prowess, brought glory and pride to both institutions by virtue of their Manning Cup victories.

However, “True Blue Weekend” is more than paying homage to this giant of a man and honoring the respective alma maters of Jamaica College and St. George's College. It is also about promoting the spirit of community as it involves the active support and participation of a number of Jamaican alumni associations that are located in South Florida. Those associations are among the most prolific and well supported Jamaican organizations in the Diaspora, and this weekend, which brings together so many associations, is reflective of the ability of Jamaicans to coalesce around a common cause which can serve to further unite Jamaicans in the Diaspora.

As you gather for this three day celebration, I wish for you an enjoyable and successful “True Blue Weekend” and may the better team win!

Message from the Coalition of Jamaican Alumni Associations of Florida

Our heartiest congratulations to Jamaica College (JC) Old Boys' Association of Florida and St. George's College Old Boys' Association of Florida for putting together another weekend of fun, but more-so for their commitment to the social and cultural development of the Jamaican Diaspora through sport and other forms of entertainment. With these events there is an even greater goal: the support of students currently attending Jamaica College and St. George's College in Jamaica. Financial support to schools in Jamaica is extremely important for the overall operation of

the schools and improvement in the infrastructure. We commend the valiant effort of the organizers from both schools and wish them continued success for the years to come.

Over the past years, the "TRUE BLUE" events have been well received and this speaks volumes in terms of both schools' commitment to education and community service. With growing support from the community, the annual "TRUE BLUE" weekend celebrations have also served to mobilize and unify the Jamaican communities in Florida and we are certain have taken a permanent place on many calendars. The soccer games are now signature events and individuals in our community eagerly look forward to these events.

Along with St. George's College's core values of reverence to God, respect, and excellence, the name Dennis Ziadie after which the championship trophy is named, symbolizes discipline and teamwork. Dennis was truly an excellent soccer player, an ambassador for, and major contributor to the game of soccer worldwide. The organizing of the annual TRUE BLUE weekend has only come about because the organizers, Jamaica College Old Boys' Association and St. George's Old Boys' Association have followed the disciplined lifestyle of Dennis Ziadie, and through teamwork, success has been achieved.

The TRUE BLUE weekend was destined to be successful also because past students at Jamaica College were taught to live by their school's motto "*Floreat Collegium, Fervet Opus in Campis*", *May the College Flourish, Work is burning in the Fields*. Xavier and members of JC Old Boys' Association are still being inspired by those words and their hard work has resulted in this wonderful TRUE-BLUE weekend. For Rudy and his team, St. George's College motto, "*Ad Majorem Dei Gloriam*" that translates in English to mean, "*For the Greater Glory of God*", is embedded in their hearts and guides their lives daily.

With both schools combining their efforts and living by their alma mater's motto, we learn the important lesson that supporting each other makes a huge difference in the community and in our lives.

Thanks Jamaica College Old Boys' Association and St. George's Old Boys' Association for being **TRUE BLUE** and for staying committed to your alma mater, Jamaica, and South Florida. Congratulations on the staging of the 2015 TRUE BLUE WEEKEND and thanks from the Coalition of Jamaican Alumni Associations for your hard work and support.

President of the Jamaica College Old Boy's Association of Florida, Inc.

Welcome to the 11th Annual Dennis Ziadie Cup & True Blue weekend. Eleven years ago 2 of Jamaica's most fierce high school soccer rivals, St. Georges College and Jamaica College, embarked on a journey to honor Coach Dennis Ziadie.

During this journey, I witnessed new friendships formed between players that were coached by Dennis Ziadie. They discussed their memories of coach Ziadie and how he impacted their lives. As you listen to the stories you will understand why the Ziadie Cup has become a mainstay on their calendars to honor their coach. It has been an exciting journey throughout the years as foes became friends. Along the way, other alumni associations and local soccer teams have joined us in the celebration of Dennis Ziadie's legacy.

The bonds that formed in these eleven years can only grow stronger. I recall a game in the early years when the Jamaica College (JC) team was undermanned due to injuries against the St. Georges College (STGC) team. It was at that moment you could see the strength of the bond between both teams. A few STGC team players walked over to the JC team huddle to check on the injured players. What happened next was truly remarkable. STGC players offered to play for the JC team so that the match would continue. These players "donned" JC jerseys and played for the "other" team for the rest of the match. Looking back at the moment they were not playing for two individual teams, but for the coach they loved, Dennis Ziadie.

We look forward to another great Ziadie Cup and your presence as you join us on the field.

Thank you to all of our sponsors, volunteers, media partners, Jamaican alumni and supporters. On behalf of the True Blue planning team, we extend a very special heart felt thank you to Adrienne "Addy" Chin-Ogilvie, Mary Ann Raymond and Joan Segre.

"Fervet Opus in Campis" – Work is Burning in the Fields.

Warm Regards,
Xavier Murphy, President - Jamaica College Old Boys Association of Florida (JCOBAFL)

President of the St. George's College Old Boy's Association of Florida, Inc.

Greetings and welcome alumni, family, friends and guests to the 11th staging of the Dennis Ziadie/True Blue Weekend. While ironic, it is not surprising that alumni from two of Jamaica's premier high schools, St. George's College and Jamaica College, have come together to celebrate the legacy of Mr. Dennis Ziadie over this weekend we call The Dennis Ziadie/True Blue Weekend.

An alumnus of St. George's College, Dennis Ziadie coached both schools to Manning Cup Championships and so impacted his players that they revere him. Father, coach, friend, mentor, giving, selfless are some of the words used to describe this tower of a man. He was not just a coach, but also a father to his players. He was a man of great football talent and knowledge which he imparted on his players. He was a man of integrity and gave selflessly. I encourage you to take a moment to read some of the comments presented at "Comments Taken From A Post on FaceBook" made by several individuals about this man most call father.

As we celebrate the life of Dennis Ziadie, let us all try to be more giving and caring. Those who are in the position to mentor, please mentor someone. Be a father, mother not only to your children but also to someone who may need a father or mother. For those of us who are alumni of St. George's College and Jamaica College, the annual Dennis Ziadie/True Blue Weekend is a great time to give back, monetary or otherwise, to our Alma Maters. The funds raised are earmarked for the Dennis Ziadie Scholarship Fund established at both schools.

On behalf of the planning committee of the Dennis Ziadie/True Blue Weekend as well as the STGC and JC Old Boys associations, I thank our sponsors, advertisers, The City of Miramar and our volunteers. I also want to say a special thank you to Addy Chin-Ogilvie and Joan Segre of our sister school Alpha and Mary Ann Raymond of JC's sister school St. Andrews.

Ad Majorem Dei Gloria – To The Greater Glory of God

GALLANT KNIGHT'S FAREWELL

GOODBYE, DENNIS

D. Zaidie was full of confidence and endowed with ability. While I did not enjoy playing next to him, I used to watch and admire his style for days. He was an excellent Colts player. One of the most exciting exhibitions of individual soccer I have ever seen was his coming of age friendly match against Munro College at Emmett

Park. He then proceeded to have the normal freshman year in the Manning Cup, alternately brilliant and ordinary, but you knew. In those days he used to come to me after every game and ask me how he played and we would break it down and analyze the negative. The memory lingers on. I saw him play against the Brazilian School Boy Side and he was brilliant. The next time I saw him he was playing for the Cavaliers Invitational XI against Brazil again. Santos of Brazil with the great Pele, that is. They brought him on at half time and he lit up the stadium. Dennis, David Largie and Arthur Cameron were the best players for Jamaica. Dennis also did track & field and played cricket. Like Jackie he had blue and white blood in his veins as seen by the fact that himself and Denis Chung married Delores and Patsy who were sisters. He played in the first ever St. Georges game in Canada. K.C. must have heard that he and Michael King would be there, because they sent a lone representative to the field to tell us they could not round up a team. Anyway, so many Old Boys turned out to see Dennis and Michael that we were able to find two teams plus reserves. That's what started all the folks clamoring for a Canadian Chapter of the Old Boys. Dennis' two sons who played under him on the Manning team, were both all schools selections. I understand they both won scholarships for football. Dennis has left his mark. Because Dennis use to give Arthur Mac such a hard time, it is difficult to believe that he could turn out to be such a superb coach and command such discipline. I sat in on a couple of his coaching sessions and was genuinely impressed. He emphasized the tradition of ST. G.C. and rekindled the spark that once was. Even I felt proud when he would turn and ask me if what he had just said was fact.

I am thankful that my son got the opportunity to play next to D. Zaidie and D. Barnes in a match the Old Boys played against other oldtimers in my honour a couple years ago, so that he could see the legends that I had been telling him about for a long time. Even though he never told me himself, I heard that Dennis had become a devout Christian. For this I am happy. Farewell Dennis. Peace be to you, Jackie and "Happy" Delgado.

GOODBYE, JACKIE

Jackie Bell. Remember that name. Watch out for the youth named Bell. That was the first time I heard about Jackie Bell. Vaz Prep had an exhibition game against St. Georges Junior Colts and the crowd was there to see him. He was good. Well I watched him through school and the progress was remarkable. One year he

was a mediocre left winger, the next he was a good inside left, but the following year he found his niche. At left half he was the closest thing I have seen to Beckenbauer. Rarely tackles but always gets the ball. As can be seen by the numerous tributes these days, Jackie dedicated his life to football. From Prep School until he hurt his knee, he trained hard and played hard. Jackie, Dennis Zaidie and Little Muggy (Graham) were the only schoolboys I can remember who would remain after Manning practice and train with the Old Boys. We became very close when he joined the Old Boys and on a trip to British Honduras we were the two who gave the most trouble with curfew. He introduced me to my wife. For a short while I thought I was a Bell. Jackie being a student of the game drifted naturally into coaching. He was a strong advocate of the West Indies pooling all players and having one entry in the World Cup. His method of coaching in my view would be influenced mostly by Jorge Penna, the Brazilian who modernized Jamaican football, and Arthur McKenzie who guided him through the formative years. However I suspect that Winston Chung Fah who handed him the reins of Santos must also have left an impression on Jackie. He played on the all schools team that went to Haiti, when Huntley Forrester, one of our finest young goalkeepers contracted polio. He first represented Jamaica in the IX Central American and Carribean games. He then became a regular on the National team at home and abroad. Whenever I speak of Jackie I always mention the fact that when he and 7 other Manning stars, including his brother Vernon, were asked to leave the college, he stated that if he could not go to St. Georges he would not go to any other school. Suffice to say that he was quite successful in business, and St. Georges never recovered the glory it once had until the Dennis Zaidie/Fr. Hosie combination evolved.

Jackie was so true blue and white that he married the sister of a Georgian. Las Talbot's sister Lorna. Jackie also made the track team and the cricket team. A memorable race was the sports day 880 yards final with only two contestants: Jackie and Richard Khouri. They schemed to finish in a dead heat but a few yards from the end Khouri just sprinted away to the tape. Well if you knew Jackie..... When I was in Jamaica last year, even though I cursed you for not checking me when I come home, I'll miss you Jackie.

DENNIS ZIADIE *by Winston Atkinson*

Married to Dellie, Dennis had four sons (Chris, Nick, Craig, and John) and two daughters (Sharon and Kim). Dellie, a God-fearing, strong spiritual lady was that strong bastion beside and behind him that allowed this man to go out to slay dragons as his life so manifested.

One day in the 1980's at Winchester Park, the Rev. Father Tom Brodley, S.J. said to me, pointing to the Manning squad in training, "Dennis Zaidie the football coach is able to impress on those youngsters Christian messages, gotten them to be saying prayers fervently with a contrite heart, and generally getting across to them the principles and teachings of Christ – which I as a priest have been trained to inculcate, but have failed to accomplish. Out there some of them are some aggressive young men on whom I can hardly make an impression to mend their ways. I, as a priest, cannot get through to them with my Christian message but Dennis Ziadie has". What finer tribute can be paid to a man?

When St. George's was disqualified from the Manning Cup competition in 1981 (a player's birth certificate was found to be illegal), Dennis turned this adversity into a constructive renewal. He set about a project, galvanizing the school, Old Boys, and the football team in a job of re-leveling the Winchester Park football field and re-planting it with grass thus setting up one of the very best football fields in the island. This re-done field has been maintained and improved upon with automatic watering devices by subsequent football management at StGC. Today it is the envy of all in the sport. Dennis was the foundation of this great asset.

Whilst we acknowledge the great work done on that field by those who have followed him, we cannot help but see that lovely Winchester Park football field as part of Dennis' legacy and recognize it as in part a tribute to his dedication to StGC and to football.

Dennis was considered a natural athlete, had been on an StGC Class 2 4X100 team that won the silver medal at Champs in 1962, represented StGC at Colts cricket, but rated as an especially gifted footballer. In the sixties, Foggy Burrowes used to say that Dennis Zaidie is one of the finest schoolboy footballers that he has ever seen.

What finer tribute could be paid to a schoolboy footballer who played in a time of greats such as Neville Oxford, Muggy Graham, Dennis Barnett, Mickey West; and others before him such as Granville Dowie, Anthony Hill.

Dennis Ziadie started his Manning Cup playing career in 1961 and was on that winning Walker Cup team. He is said to have been assiduous and hardworking in training, always played on the forward line (inside right) scored many goals that helped STGC to win matches and made up that awesome quartet of Dennises...

Dennis Barnett, Dennis Chung, Dennis Charley, Dennis Ziadie. This was the strike force that made us lift the Walker Cup in 1961. Concerned and upset that StGC had not won the Manning Cup since 1959, (nor Walker Cup since 1961), a group of men notably Turo Clarkson, a life honorary member of the StGC Old Boys' Association, and Tony Marzouca went to Dennis Ziaide, then a coach, and said you have to come and coach StGC. They were of course confident in their choice as the Jamaica College team coached by Dennis had won the Manning Cup in 1974. Dennis responded. He proceeded to bring StGC to the winners' circle. StGC won the Manning Cup and the Walker Cup in 1983, won the Manning Cup, Walker Cup and the Olivier shield in 1984.

What finer tribute could a coach win for himself?

Dennis was the Keynote speaker at graduation 1985. What finer tribute can a school pay to one of its alumni?

As part of Dennis' football career after school we reflect on his performance for Jamaica when Santos of Brazil visited and played against us. We recollect Dennis' deft moves on the left wing displacing the right back and making some beautiful centres to the centre forwards. The great Pele himself singled out Dennis for praise after that game. Dennis was later to play professionally in what is now called the MLS.

Dennis' three sons attended StGC. Chris and Nick played on those winning teams of the eighties while the youngest Craig played Manning Cup in the early nineties, and later went on to play professionally in the U.S.

Dennis was a godfather to his schoolboy teams, he spent his money freely on bus fares, lunches etc especially as at the time that he coached youngsters at StGC there was a large percentage of the needy attending the school. Many a man today reflects on the mentoring and financial assistance given them by Dennis during their student days both at the secondary level and at the tertiary level.

Dennis died in Mexico in 1986. He and his schoolmate, close friend, football-colleague Jackie Bell had attended the World Cup and were in a bus travelling to a game when the bus crashed, killing a number of passengers including these 2 Georgians. This was an immense shock to all his fans and friends in Jamaica that he had departed this world at such a young age. Dennis was a devout Roman Catholic, was admired by the priests for his steadfast devotion and how he manifested this in his daily life. When Dennis was buried, in the coffin with him were placed a Bible and a football, testament to his profound devotion to Christianity and his tireless work in and dedication to football.

JAMAICA COLLEGE 2014 FOOTBALL SEASON REPORT

Leon Frazier (JCOBA)

It has been 3 months since the Great College closed the 2014 schoolboy football season with victory in the Olivier Shield against DaCosta Cup Champions, Clarendon College. A good time to reflect on the achievements during the 2014 football campaign. The objective was four(4) titles. We fell short a bit... just a bit. Three out of four titles was a fantastic achievement and must be applauded.

Losing 3-2 against Georges in the Walker Cup Final, after being down 3 nil at half-time, was a clear indication to all that ours is a class team, and had we not made those defensive errors early in the match, all four titles would now be at rest at 189 Old Hope Road! But all praises to the Almighty, we have done what only a select few high schools can do.

A careful review of the senior football programme at the Great College over the past few seasons reveals the following:

- 5 Manning Cup Finals in 8 years, winning 4 (2007, 2010, 2013, 2014).
- 6 Walker Cup Finals in 9 years, winning 2 (2009, 2010).
- 4 Olivier Shield Finals in 8 years, winning all 4 (2007, 2010, 2013, 2014).
- Winner of the inaugural Lime Supercup (2014).

In the 2014 football season the Great College played more matches at the senior level than any other high school in all competitions, 21 in total. In the three (3) months of competition, we won 19 matches, drew 1, lost 1, scored 79 goals with 13 against. Three trophies! Impressive! At the junior levels in 2014 we also excelled! The Under 14 (Pepsi) team made it the Final and lost 0-1 to KC. The Under 16 (Colts) team lost the Semi-Final 1-3, in extra-time against Bridgeport High.

The football programme at the Great College is healthy and is being skilfully managed by a dedicated team comprising school officials and Old Boys. Special commendations must be given to team manager, 'Mr JC' himself, Ian Forbes, for his tireless contribution to the sports programme at the Great College. Ian, we all owe you a debt of gratitude for your years of selfless service to Jamaica College, the School of Champions. We salute the other members of the management team for a job well-done: Kirk Kennedy, Darren Virtue, Brandon Samms, Dr. Derrick McDowell, Patrick Lee, Othniel Gordon.

We hail the excellence of the coaching staff led by head coach, Miguel Coley, assistant coaches, Delroy Brown and Mark Buckland, goal-keeping coaches, Kevan Garrison and Donte Bent. We pay tribute also to the supporting staff: Mrs. Nova Henry, Petrena Bignal, Andrea Dacres and chef, Myrtle Stewart. Mention must also be made of the significant contribution given by Principal, Ruel Reid and the JC school officials, the JC Board, led by Michael Bernard, and the Jamaica College Old Boys Association (JCOBA) led by new president, Major Basil Jarrett.

Importantly, we salute the players of all the teams, Under 19 (Manning Cup, Olivier Shield, Lime Super Cup), Under 16 (Colts) and Under 14 (Pepsi) for their commitment, hard work, skill, and excellence on the field of play. Junior Flemmings, you have made your grand-father very proud. Kudos to coaches Michael Peart (Under 16) and Wayne Palmer (Under 14). Last, but by no means least, we salute the hundreds of True Blue Disciples who journeyed from far and wide in support of their True Blue Warriors where ever matches were being played.

Fervet...forever! 2015 will be another great season!

Now it is on to track and field, cricket, hockey, basketball, tennis, swimming, table tennis and all the other sporting disciplines contested by the Great College. In closing, let me take this opportunity to wish you all an enjoyable Dennis Ziadie Cup & True Blue Weekend 2015.

COMMENTS TAKEN FROM A POST ON FACEBOOK

The following are excerpts from a post by Alton Gayle on the StGC Old Boy's Page on Facebook in December 2014.

Alton Gayle: "The late Mr. Dennis Ziadie, may his soul rest in peace. I strongly believed there is no better schoolboy football coach than the "Zen Master" himself...Mr. Dennis Ziadie. St. George's was in the wilderness from 1960 to 1983. St. George's was never able to win a Manning Cup Title over a twenty-three (23) year span. YES!! Our Alma Mater was starved of a Championship Title. We were in a drought, but the Football God smiled down on St. George's College and Mr. Dennis Ziadie walked through the gates of St. George's to take up the coaching job around 1980/81. He was the "Chosen One" the "Chosen Coach" to bring St. George's back to their glory days in winning Manning Cup Titles. But, a now dis story get sweeter, not only did St. George's College get an elite coach, the package came with his two talented football sons, Christopher and Nicolas Ziadie. In my books, JC have a valid reason for disliking us. My Georgian knights you can just imagine, if the late Mr. Dennis Ziadie and his two sons had drop "anchor" at Jamaica College, what would have happened to St. George's Manning Cup Program? Would our school go winless, until Mr. Neville Bell came on the scene at our Alma Mater? I was fortunate to attend St. George's between the years 1980 to 87. During those years St. George's mix up inna everything. The Ziadie brothers led St. George's to Colts and Manning Cup titles, we won the School Challenge Quiz, we had the Boys Championship 400m Class-2 "RECORD" holder attending the College at the time in Lindale Patterson. St. George's won at least one Pepsi Football title, back then. All I know, if the "Chosen One"... the late Mr. Dennis Ziadie and his sons never came through the gates of St. George's College... "dawg would a surely nyam we supper" our Alma Mater would have been 23 years in the wilderness and still counting. The "ZIADIE'S" were definitely a blessing for St. George's College, especially our football program. I could not end, without going back to 1985. The Ziadie's played strong roles in all our school football titles, but Nick Ziadie, unfortunate own goal in the Manning Cup semi-final game against Excelsior HS cheated us from playing the Finals with Kingston College, who went on to win the Championship Game. St. George's had earlier defeat dis same KC team (1-0) in the "Battle of North Street"... I believe "Sinco" was the St. George's player that putted the ball in the back of the net. But, when all is said and done, the late Mr. Dennis Ziadie resurrected St. George's Football program from the "DEAD" in the early 1980's. I strongly believe the late Mr. Dennis Ziadie, was the "Best" St. George's coach "EVER".

Tensang Chung: Coach Ziadie resurrected our football in the 80's undoubtedly. In addition to resurrecting our football, coach Ziadie, pioneered the effort to re-grass our fields after we were kicked out of the competition in 82. We had 2 huge dust bowls before then.

Rudolph Tumpa Kameka: Saw him during the Roper Cup days and now have learned so much about him via the True Blue Weekend. Di man was truly a blessing to all that he touched. If you think we revered him, you need to listen to how the boys from JC talk about this tower of a man.

Anthony Chung: Well said and fully agree, 1982 marked the beginning of the new golden age at Manning Cup level; there were also some excellent Colts teams leading up to that.

Michael Bedi Walker: Most importantly he had the vision to build the Winchester Park field with his own two hands, and the players were told if they did not help you could not try out for the 1983 season... I had the honor of calling him friend, father & coach!!! Miss him big time, had a huge impact on my life!!!!!! Genius, Gentleman, Father to all of us!!!!

Neil Passley: Truly a great man and a great mentor, and his sons have done him justice and carried on his legacy. May his soul rest in peace. StGC!!!. We are football.

Clayton Young: The memories of his playing years in the 60's will always be remembered.

Patrick Mario Kempes Harris: Bless..He was our father.!!!

Lou DaCosta #legendary #boss #mentor #bestcoach #AMDG

Suresh Rickhi 20 gun salute to this

Kirk Chin: Thanks Alton! Those were some of the greatest days of my life. Rest In Peace Dennis Ziadie, Father, Friend, Coach. Brings tears to my eyes everytime even after 28 years.

Troy Garel: I had the pleasure of being coached by him in 82, when we were DQ'd, and 83 when we won the Manning and Walker Cups and the Nutrament Shield. Spent many days at his home as well with him and his family. Remember playing ball with Chris and Nick, when Craig was still very young, in the living room. I was, at first surprised that he allowed the boys to do so but, those of you who know Chris and Nick, can see why their touch and control was so good. I have the utmost respect for Coach Ziadie and still miss him dearly to this day.

Andrew Price: The man who shaped my life. My Father from the Almighty Father. DZ

Lorna Bell: An awesome individual

George Latore: light blue running thru his veins...indelible imprint made during his time here....

John-Paul White: Great great man. Irreplaceable!

Damien Grant: Uncle Dennis was an awesome man and great father figure. Enjoyed hanging with all you Georges boys when I was a yute ! Love to the entire Ziadie Family

Ian Pearson: Simply, A Great Person.

Christopher Dehring Coach...friend...mentor. Will never forget.

Christopher Chippa Morgan Words can't express.....that morning coach passed, the juvenile team was playing Swallowfield inna stadium. the best football we played all year versus a star studded team with Jair, Linval McKenzie and a whole heap of national. Jah know, as youths we did reach a heights under coach. It all came together that morning on the field before we got the news. . Everything I man have in life can go back to the opportunity I man get thru ball....and coach TEACH me ball. Eternal respect.

Scotty Hamilton Uncle Dennis and the entire Ziadie family had a great impact on us. I can remember when he came to JC.. from 73-76 and we thought STGC must have been crazy to let this genius leave. Visiting Aunt Dellie and Uncle Dennis up at their house on Saturday was amazing ...and every year both schools JC and STGC pay tribute (True Blue weekend) to the great National footballer, coach, father and grandfather.. Long live the name Dennis Ziadie.

St. George's College 2014-15 Manning Cup Season

The 2014-15 manning Cup season was in many respects, a disappointing one. At the beginning, there was great expectation that we would be a real contender for the major titles including the new Lime Super Cup Competition.

The first disappointment was that Martin Davis, our highly fancied midfielder, was ruled out for the start of the competition due to a serious knee injury. He would miss the entire season. The team was thought to be a good one but there were some questions about the defense. This turned out to be our downfall.

In the Manning Cup First Round, we cruised through fairly easily. The highlight was a demoralizing composite 10-0 demolition of our keen rivals Kingston College. It resulted in the unceremonious removal of KC's Head Coach Lennie Hyde and his assistant, Max Straw. We had an embarrassing 0-1 loss to Jose Marti High School as a result of a defensive error.

In the Second Round, we had to defeat Wolmer's Boys to win our group. It was a total disaster as we lost 3-0 to the boys from Heroes' Circle. Our defense was clueless and Wolmer's Jezeel Hyde scored a hat trick against us.

In the Lime Super Cup, we started well with an impressive 5-1 win over Godfrey Stewart High. At the Quarter Finals, we again went down 3-0 to Wolmer's. Jezeel Hyde scored two of the goals.

So, with the Light Blues out of the two main titles, we concentrated on the Walker Cup. We had good wins over Camperdown and Charlie Smith High to make the Final. In the meantime, Jamaica College steamed rolled through the Manning Cup, Lime Cup and Oliver Shield. The Dark Blues were expected to push STGC aside easily to take all four titles.

It wasn't to be as a stunning performance by STGC's Amoy Brown, Shevon Stewart and Gregory Messam Jr. left Jamaica College 3-0 down and in tatters at the end of the first half. Our defense looked very competent and goalkeeper Cordell Erving was outstanding. Jamaica College clawed their way back into the game but in the end, they weren't able to overhaul the deficit. St. George's College won 3-2 and defeated the almost all conquering Jamaica College 3-2. It was a good ending to our season considering the big disappointments earlier on.

There is much anticipation for the 2015-16 season as we will be in a rebuilding mode and expect to again be high in the runnings.
