Re: True Blue Weekend Ziadie Cup Soccer Match

Dear Jamaica College and St. George's College Alumni:

On behalf of the Commission and City of Miramar, a warm welcome to the Jamaica College Old Boys Association of Florida and the St. George's College Old Boys Association of Florida for the Annual Ziadie Cup Soccer Match during True Blue Weekend. Jamaica College and St. George's College are cherished institutions that have a wonderful heritage and that legacy is carried on through the contributions of their Alumni in Jamaica, the Diaspora and especially Miramar. We are humbled that your organization has, once again, chosen Miramar to be your home for your many events and festivities.

As you celebrate the legacy of Coach Dennis Ziadie, Miramar continues to stand in solidarity with you honoring his life and his positive impact on the many lives in Jamaica during his coaching career at both institutions. His legacy lives forevermore due to the philanthropic efforts of both the Jamaica College Old Boys Association of Florida and the St. George's College Old Boys Association of Florida.

God bless your efforts and we look forward to being your partner for many years to come. Best wishes for a successful True Blue Weekend.

All the best,

Wayne Messam
Mayor

**MESSAGE FROM THE CONSUL GENERAL OF JAMAICA IN MIAMI
ON THE OCCASION OF THE
TRUE BLUE WEEKEND - 01 – 03 APRIL 2016**

It is hard to believe that another year has passed and that we are, once again, celebrating True Blue Weekend. I am pleased, in my capacity as Consul General, and as a proud alumnus of Jamaica College, to extend sincere congratulations to the joint organizers of the event, the Old Boys Associations of St. George's College and Jamaica College.

Often pitted against each other as rivals, both schools enjoy a long and rich history of being among the best educational institutions in the country and they have had a positive impact on the lives of those who have passed through their hallowed halls.

But, despite the competitive spirit between the schools, there is a common bond that is shared between them through the indelible contribution of Mr. Dennis Ziadie, who coached both teams, at different times, to Manning Cup victories. The coming together of these two adversaries is therefore a fitting tribute to the memory of this great gentleman who was so suddenly and tragically taken from us twenty nine years ago in Mexico.

This collaboration is also demonstrative of what Jamaicans can achieve when we set aside our differences and work towards the achievement of common objectives. True Blue Weekend promises to offer something to all who attend, but above all, it serves to strengthen the sense of community among Jamaicans in the Diaspora, not only from the immediate area of South Florida, but also from areas further afield.

Therefore, I use this opportunity to salute the Jamaica College Old Boys Association of Florida and the St. George's College Old Boys Association of Florida for being exemplars of cooperation and for coming together in this way in support of their *alma maters* and the wider community in South Florida.

Best wishes for a successful weekend of activities, and may the better team win the Dennis Ziadie Cup!

Franz Hall
Consul General

Message from the Principal of St. George's College

Dear STGC and JC Old Boys, and Friends,

I congratulate the old boys of both colleges on the organization of this True Blue/Dennis Ziadie weekend.

What a wonderful event, utilizing friendly competition between two great schools to convey a message of unity and collaboration! Though my loyalties will always fall on one side of the fence, the successes of both schools, make collaboration between their alumni a positive and powerful force in promoting ongoing success.

I knew Dennis Ziadie very well in my teenage years. He used to say so often that it stands out in my memory, "Don't curse the darkness. . . light a candle". This phrase epitomized the man. The Dennis Ziadie True Blue match aptly represents his passion for football, and his outlook of finding the positive in the face of challenges.

Jamaica College and St. George's College continue to stand for excellence in education in the face of a very difficult economy. You are a part of the reason for this. I encourage you all therefore to continue to pour out support for your Jamaican Alma Maters, as we work together to provide a high standard of education for Jamaican Youth.

Whether you support the powerful blue of the ocean beneath, or the awe-inspiring blue of the skies above, have a wonderful weekend of celebrating true blue excellence, true blue traditions, true blue memories and true blue fun.

Kind regards,

Margaret Campbell

Message from Jamaica College's Acting Principal

Over the years, Jamaica College has produced men of excellence both in academic achievement and sports. Today this is no different as in our quest to develop the perfect man, we believe they must be rounded individuals. Our aim is to become the number one all-round school in Jamaica. Through our transformation over the past ten years, we are once more a force to be reckoned with. We have just seen the secondment of our Principal, Senator the Hon. Ruel Reid to become the Minister of Education, Youth and Information. I, a proud Jamaica College Old Boy, have taken the baton as the Acting Principal to take the school to the next level.

We have moved up significantly in our academic performance internally and in the national rankings. We are now seeing students receiving awards in the CXC examination national ranking. Our current School Captain ranked number one nationally in the CAPE unit

1 Digital Media and fourth regionally in this examination. Our Robotics team continue to create history as the only Caribbean team that competed in the New York City- Long Island Regional Championship. Because of their success, they will be competing in the East Super Regional Championship Tournament in Pennsylvania, with hopes of going to the World Robotics Championship.

Our performing arts team which consists of Cultural Drumming, School Choir, Band and Drama Club after entering the 2016 Jamaica Cultural Development Commission competitions, won 8 gold, 7 silver and 2 bronze medals and will be competing for national awards.

Sports continue to be a beacon in the school. The College Men showed their dominance once more in football. We continue to go unbeaten in the Manning Cup since 2012. For the past 3 years, we have won both the Manning Cup and Olivier Shield (threepeat): a feat last done about 82 years ago. I suggest that both awards be retired at 189 Old Hope Road.

We salute all our alumni who have contributed to our success over the years and encourage you to continue to play your part. To the members of the JCOBA Florida Chapter, I wish you all the best in this your 12th staging of the Dennis Ziadie Soccer Fest. We wish you great success over our rivals, take it to them on the field as we did in the Manning Cup and Olivier Shield. FERVET OPUS IN CAMPIS! Let the work burn on the football field!

Rohan Wong.

Acting Principal- Jamaica College.

Message from the Coalition of Jamaican Alumni Associations of Florida

Over the past years, the “TRUE BLUE” events have been well received and this speaks volumes in terms of both schools’ commitment to education and community service. This is also an indication of the contribution of Dennis Ziadie to soccer and community development while he was alive. Along with St. George’s College’s core values of reverence to God, respect, and excellence, the name Dennis Ziadie after which the championship trophy is named, symbolizes discipline and teamwork.

Dennis was an excellent soccer player, an ambassador for, and a major contributor to the game of soccer worldwide. The successful staging of the annual TRUE BLUE weekend has only come about because the organizers, Jamaica College Old Boys’ Association and St. George’s Old Boys’ Association have not only followed the disciplined lifestyle of Dennis Ziadie, they have worked together as a team. By both schools combining their efforts to organize the TRUE BLUE weekend, we are learning the important lesson that supporting each other makes a huge difference in the community and in our lives.

There is so much more that we can learn from the TRUE BLUE Weekend. Jamaica College’s motto “*Floreat Collegium, Fervet Opus in Campis*”, *May the College Flourish, Work is burning in the Fields*, and St. George’s College’s motto, “*Ad Majorem Dei Gloriam*”, *For the Greater Glory of God*”, are words to live by. There is so much to do in our community for the greater glory of God, and past students of these schools through the TRUE BLUE events are leading the charge and are shining examples for us to follow. We do not normally include politics and politicians in our messages, but President Obama has given us some very fitting words to muse on, words that are applicable to the efforts and commitment of the organizers of the TRUE BLUE weekend.

“We, the People, recognize that we have responsibilities as well as rights; that our destinies are bound together; that a freedom which only asks what’s in it for me, a freedom without a commitment to others, a freedom without love or charity or duty or patriotism, is unworthy of our founding ideals, and those who died in their defense” President Barack Obama

Our heartiest congratulations to Jamaica College Old Boys’ Association of Florida and St. George’s College Old Boys’ Association of Florida for putting together another weekend of fun, but more-so for their commitment to the social and cultural development of the Jamaican Diaspora. Thanks for being **TRUE BLUE** and for staying committed to your alma mater, Jamaica, and South Florida. Congratulations on the staging of the 2016 TRUE BLUE WEEKEND.

Rupert Rhodd PhD & Sandra Schrouder PhD (Co-Chairs)

Education Matters!

Dennis Ziadie

"The man who shaped my life. My Father from the Almighty Father." **Andrew Price**

"Most importantly he had the vision to build the Winchester Park field with his own two hands, and the players were told if they did not help you could not try out for the 1983 season... I had the honor of calling him friend, father & coach!!! Miss him big time, had a huge impact on my life!!!!!! Genius, Gentleman, Father to all of us!" **Michael Bedi Walker**

"Uncle Dennis and the entire Ziadie family had a great impact on us. I can remember when he came to JC.. from 73-76 and we thought STGC must have been crazy to let this genius leave. Visiting Aunt Dellie and Uncle Dennis up at their house on Saturday was amazing...and every year both schools JC and STGC pay tribute (True Blue weekend) to the great National footballer, coach, father and grandfather. Long live the name Dennis Ziadie." **Scotty Hamilton**

"Light blue running thru his veins...indelible imprint made during his time here." **George Latore**

Message from JCOBAFL's Vice President

We are gathered once again for True Blue to honor the great Dennis Ziadie, father, coach, teacher, mentor, friend and “big baller.” His affiliation with both St. George’s College and Jamaica College (JC) has motivated our two great institutions to organize this annual celebration of his legacy. I am especially honored to write this message as I have been inspired by all the moving stories I have heard of this great man. While I never met Coach Ziadie in person, True Blue has made me feel as if I knew him. It is because of his dedication and passion that we have been so relentless about sustaining this fantastic tribute to him.

For the 12th year we will re-connect with old friends and meet new ones at True Blue. As we dress out in our school gears (as if we think we is young bwoy), we will resurrect playful rivalries and revise history a little as we tell stories of our own days as “big ballers.” We will also discuss the last football season and all our hopes for the upcoming “big ballers” from both institutions. We are sure to recount how St.

George’s beat JC in the 2015 Supercup finals and how JC came back to take the Manning cup finals. Oh boy ... Dennis must have been smiling— he wins either way.

In 2015, Jamaica College Old Boys Association of Florida (JCOBAFL) established a scholarship in Dennis Ziadie’s honor which was awarded to Jaribu Shand . And this year we will be awarding this scholarship to Maliek Howell.

Congratulations to these fine young men.

Congratulations and thanks to all the past and present JC and St. George’s alumni organizers that make this event possible. Thanks to all our True Blue sponsors, volunteers, organizers, and wellwishers. We are humbled by your ongoing support. “Fervet Opus in Campis” - Work is burning in the Fields.

Sincerely,

Dean Nevins- Vice President Jamaica College Old boys Association of Florida (JCOBAFL)

Jamaica College Manning Cup Report For 2015

by Jimmy Sinclair

The spirit of hope continues at 189 Old Hope Road as the Griffin programs continues on their winning ways. The 2015 Manning Cup season was no different. Jamaica College was winners of the Manning Cup and Oliver Shield Trophy. We were runners up in the Super Cup losing to St George’s College 4 to zero in the finals. We performed well in the Walker Cup, however we were beaten in the quarter finals by Wolmers who went on to win the Walker Cup. The coaching staff and school did a tremendous job in preparing the team for the 2015 campaign. Mr. Ian Forbes and the JC Old Boys Association was the driving force behind the continued success of the football team. A special shout out to the coach and coaching staff who were

integral in the decision making that allowed our team to reach this level of success.

To the team, we send our congratulations for a great year, and hope the success achieved by our players on the field can be repeated in 2016. It is our hope that the lessons learned playing for Jamaica College can be transformed into life changing experiences that will make them successful in their personal endeavors. Fervent Opus In Campis. The dream of working towards a better team, better school, better community and society continues through the impact of sports and assisted by our dedicated Old Boys Association members.

The JC family extends our thanks and appreciation.

Message from the Board of Directors StGCBAFL

We join in pride to celebrate our alma maters, the memories they provide and their impacts on our lives. This weekend we also join to celebrate the legacy of Dennis Ziadie, who had such a significant impact in his years of coaching at both St. Georges and Jamaica College.

Through his tenure he impacted so many students and had such a tremendous impact in framing their lives. While his official title may have been coach, to many he served as father, brother, friend, mentor and confidant. These are relationships that he developed, while he imparted his skill, talent and knowledge of football to his players.

In each of our communities and at our alma maters, there are so many who could benefit from our skill, talent and knowledge. Whether through sports, academia or other areas, let us recognize the impact we can have on our communities and support the efforts of these youth. This would be a true celebration of the “Dennis Ziadie legacy.”

We take this opportunity to thank the Planning Committee of the Dennis Ziadie/True Blue Weekend for the tremendous work they do in planning this weekend’s activities and in allowing the legacy of Dennis Ziadie to continue. While we have many differences between our schools, we truly appreciate this time when we can join together and celebrate something we both have in common... the legacy of Dennis Ziadie.

Ad Majorem Dei Gloria – To The Greater Glory of God

The Board of St. George’s College Old Boys Association of Florida

President: Rudy Kameka, Vice President: Jermaine McCarthy, Treasurer: Horace McHugh

St. George’s College Manning Cup Report For 2015

Front Rt. Jevoun McKellar, Matthew Wilson, John Wilson, Hakim Williams, Shevon Stewart (Captain)
Back Gregory Messam Jr., Rolando Watson, Akeem Prawl, Alex Marshall, Dominic James, Stephan Gilzene
Reserve: Cyle Elliott(GK), LaVaughn McKay, Akeem Shelton, Akeem Robotham, Taffarel Hamilton, D'Andro Segree, Carlos James

The 2015 football season truly tested the character of STGC Football Team. After soundly defeating Jamaica College 4-0 in the Flow Super Cup final, the team was riding a high and was expected to win all four contested championships. However, it was not to be. Jamaica College bounced back with heart wrenching 1-0 defeat of the boys in the light blue to take the Manning Cup Title. The goal came in the 88 minute of play. The team did not recover from that defeat and went on to lose the Walker Cup final to Wolmers. Despite these defeats, the team played first class football throughout the season and electrified the spectators as the most outstanding team in the competitions. Of note, the Flow Super Cup final had the largest turnout in history for high school football in Jamaica. STGC is no doubt the people’s school in football.

The team ended the season with a church service. In his final homily, Fr. Rohan Tulloch SJ, who has taken the Sunday services since August, urged

the players and congregation to be joyful even when our circumstances are distressing. Our joy cannot be made conditional on what’s happening around us or on past events which trap us into thinking that we are not worthy. Instead, we should rely on the grace of Christ to transform our minds into the joyous people working for positive changes in our lives and our communities. We are absolutely sure that Coach Dennis Ziadie would say amen.

After the service, the team, coaches, support staff, and some parents were treated to a seafood extravaganza at Gloria’s in Port Royal. It was organized by Old Boy Michael Chai with help from a number of other Old Boys as a way of recognizing the players and the support staff for the hard work they had done. The word got around that the STGC team was in the town and a number of youngsters from the community came out to see their star ballers.

Auditorium on the campus of Jamaica College. Congrats Maliek Howell.

Matthew Wilson - StGC Recipient

Matthew Wilson, a fifth form student at St. George's College, has been awarded the 2016 Dennis Ziadie Scholarship. The scholarship is awarded to a member of the Manning Cup Football Team, who (i) commenced his high school education at St. George's;

(ii) displays academic excellence; (iii) is a disciplined student with strong moral character; (iv) provides community services and (v) displays a need financially.

Matthew commenced his academic studies in first form at St. George's College in September 2011 after achieving excellent results in the Grade Six Achievement Test.

He has represented St. George's at the U14 (Pepsi), U16 (Colts) levels and has played with the Manning Cup squad since 2014. He was captain of both the U14 and U16 teams. He has also represented Jamaica at the U17 level. Matthew plays defense and defensive midfielder and a wingback

Matthew has a vision of becoming a stock broker and trader of other financial instruments and is very focused on that vision. As a result, he has placed great emphasis in balancing his schoolwork with football which has resulted in him performing well at both. He is a young man of moral character and is liked by many. He motivates his peers toward excellence and though his family struggles financially, Matthew is quick to help others in need.

Matthew studies business, in keeping with his goal of stock brokerage and trading. His plan then is to continue his business studies in sixth form at St. George's College, while he does the SAT examinations to leverage his football skill for a scholarship overseas. He is also considering further studies at the University of the West Indies. Matthew lives with his father and has three brothers, two of whom are also Georgians. His twin brother also played football at the U14 and U16 levels for St. George's College, before sustaining injury.
